

Inspiration 10 for Windows Technical Specification

Current
Version: 10.11

Installation

Operating System	Windows 10 , Windows 11 and Windows 11 SE compatible.
Minimum Hardware Specification	Inspiration 10 consumes low CPU and memory when running. It also has a small hard drive storage footprint once installed - 227MB. The installer file to download is 169MB. As a rule of thumb, if the device can run Windows successfully, Inspiration 10 will be fine to run on the device.
Other Requirements	<ul style="list-style-type: none">• Windows Media Player is required to enable playback of embedded videos.• Administrator rights are required to install Inspiration 10.
Network Installations	<p>For volume licence agreements (5+ computer licences) and site licences, we provide options for unattended silent installations, including Intune and SCCM.</p> <p>For further information visit: https://www.inspiration-at.com/inspiration-10-network-deployment/</p>

Keeping Your Data Safe

Files created using Inspiration 10 are saved to the user's device or to your organisation's network. Files are created in a proprietary file format - .isf.

Single User Licence and Bring Your Own Device (BYOD) Licences	<p>No end user details are requested when activating the licence.</p> <p>When the licence is activated, users are redirected to a post activation web page. The user is given the option to enter their name, email address and organisation name, so they can register their licence with us and be kept informed of product updates.</p>
Volume and Site Licence Agreement	<p>The user's name and organisation is requested when activating the licence to personalise it. This information is shown when launching the software. It is stored on the workstation and is not passed on to us.</p>

Internet access requirement

Single User Licence and Bring Your Own Device (BYOD) Licences	<p>The installation file requires access to our licensing server https://secure.softwarekey.com to initially activate the software. Additionally, every few weeks the software will check in with our licensing server to check it is still valid.</p> <p>All contact is made anonymously, using an Installation ID.</p>
Volume and Site Licence Agreement	<p>The user's name and organisation is requested when activating the licence, to personalise it. This information is shown when launching the software. This information is stored on the workstation and isn't passed onto us.</p>

Moving Licences

You can move a licence to a new device. How to do this depends on the licence type.

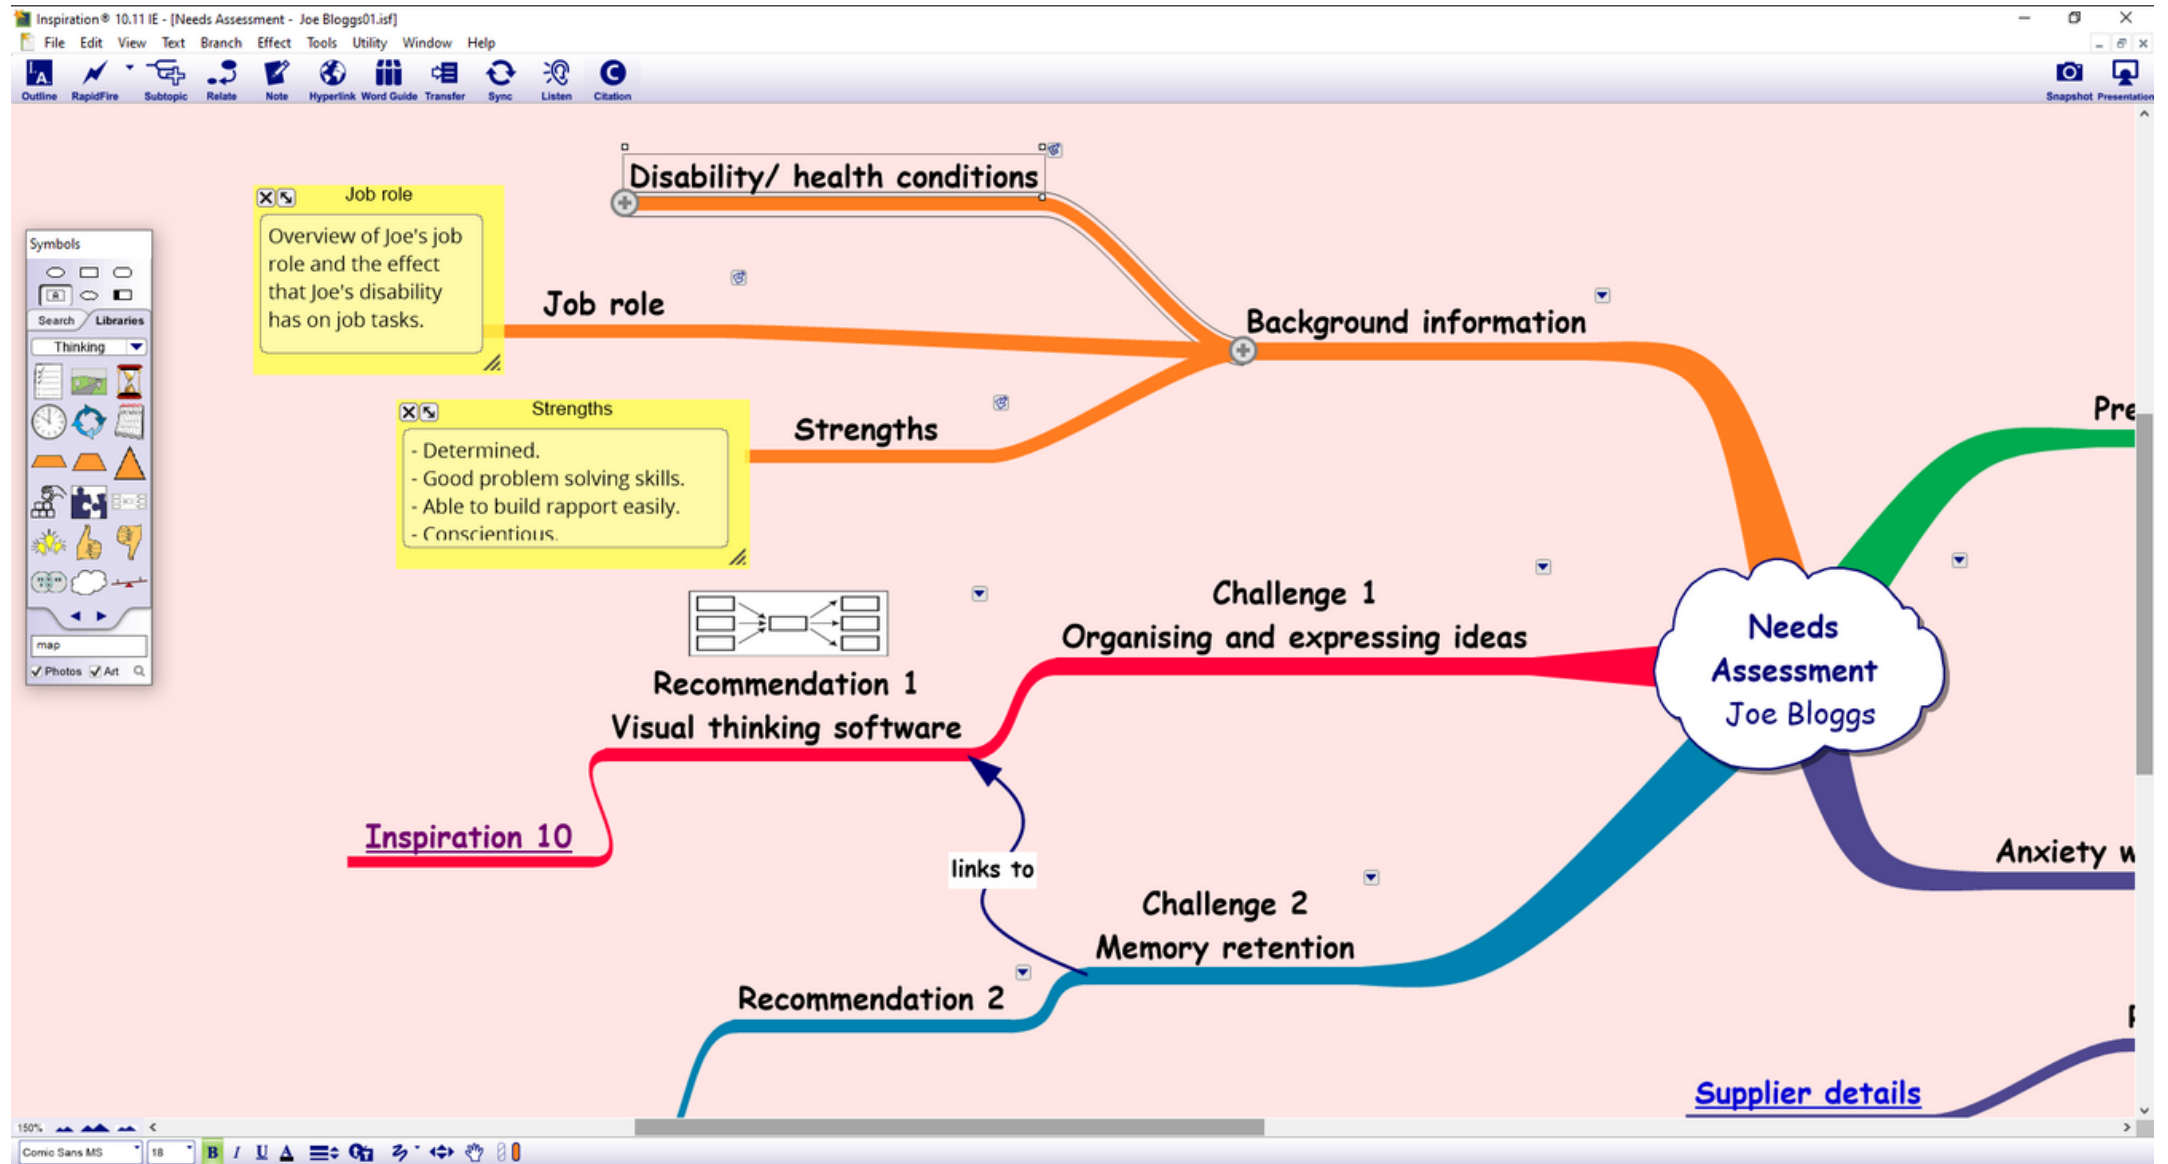

Single User Licence	<p>A single user licence allows a user to install Inspiration 10 on up to two devices, for their use only.</p> <p>Please contact support@techedmarketing.com with your Licence ID, so we can deactivate the software. This will allow Inspiration 10 to be activated on a new device.</p>
Bring Your Own Device (BYOD) Licences	<p>A BYOD licence assigned to a user allows them to install Inspiration 10 onto one device only.</p> <p>A login to an online licence portal is provided, so you can deactivate a licence. This will allow Inspiration 10 to be activated on a new device for the same user, or for a new user.</p>
Volume and Site Licence Agreement	<p>The total number of computer installations is determined by your licence agreement.</p> <p>You can move Inspiration 10 onto a different device without notifying us.</p>

Please contact support@techedology.com if you have any further questions. Or visit our FAQ page at: <https://www.inspiration-at.com/faqs/>

Outline View

The screenshot displays the Inspiration 10.11 IE software interface. The title bar reads 'Inspiration® 10.11 IE - [Needs Assessment - Joe Bloggs.isf]'. The menu bar includes File, Edit, View, Text, Outline, Effect, Tools, Utility, Window, and Help. The toolbar contains icons for Diagram, Topic, Subtopic, Left, Right, Split, Note, Hyperlink, Word Guide, Transfer, Sync, and Listen. The main workspace shows an outline view of a document titled 'Needs Assessment' by 'Joe Bloggs'.

Needs Assessment
Joe Bloggs

- I. Background information
 - ↳ include
 - A. Strengths
 - Determined.
 - Good problem solving skills.
 - Able to build rapport easily.
 - Conscientious.
 - Pragmatic and balanced.
 - Good analytical skills.
 - Able to see things from other people's perspective.
 - Can see patterns in data.
 - B. Disability/ health conditions

Joe was diagnosed with dyslexia following a full diagnostic assessment, which took place in May 2022.

'Dyslexia is a learning difference which primarily affects reading and writing skills. However, it does not only affect these skills. Dyslexia is actually about information processing. Dyslexic people may have difficulty processing and remembering information they see and hear, which can affect learning and the acquisition of literacy skills. Dyslexia can also impact on other areas such as organisational skills.

It is important to remember that there are positives to thinking differently. Many dyslexic people show strengths in areas such as reasoning and in visual and creative fields.'
