Introducing Inspiration 9 International English for Windows, the most simple but powerful visual thinking tool for creating mind maps, concepts diagrams, graphic organisers, outlines and presentations with ease!

Inspiration makes it easy to capture ideas, structure thoughts and visually communicate concepts to strengthen understanding with the Diagram and Map Views. To take notes, organise information, and structure writing for plans, papers and reports, use the integrated Outline View to focus on main and supporting ideas and to clarify thinking in written form.

Finally, you can effortlessly transfer your diagrams and outlines to Word, PowerPoint, PDF or as a graphics file.

Key benefits

- Aiding memory retention
- Visualising concepts & synthesizing information
- Deepening comprehension

- Stimulating creativity
- Communicating ideas
- Supporting planning and writing
- Boosting performance

Visualise & develop ideas

Use these proven visual thinking and learning techniques to brainstorm or brainwrite ideas, explore and explain relationships, and integrate new knowledge with what you already know. Inspiration encourages deeper, more critical thinking and that improves creativity, comprehension and retention.

Plan & organise written work

Organise ideas and think through projects and assignments more effectively using Inspiration's Outline View. Structure your work for planning and writing. Learn how to brainstorm and create essay outlines to support the writing process. Gather and keep track of research information and develop a logical flow for written and oral communication.

Communicate & present knowledge

Improve communication and share what you've learned with Inspiration's Presentation Manager. Use the content you've developed in Diagram, Map and Outline Views and expand your work into more thoughtful and compelling presentations and final projects. Inspiration provides all the tools to create organised, polished, formal presentations that convey ideas clearly and demonstrate your understanding and knowledge. Use the FREE Inspiration Presenter to show your presentation easily on Windows computers, or export to PowerPoint or PDF.
